

Linear floor drain for the wall with side outlet D40

flow rate ≈ 30-38 l/min | **lowest installation height:** 50 mm | **outlet diameter:** 40 mm

Modern shower design is often defined by simplicity and functionality. An elegant highlight of your bathroom can be our wide range of drain channels with stainless steel grates. We offer grates in six variants with a gloss or matt finish.

The stainless steel grates are precisely crafted and highly durable. Made of stainless steel according to DIN 1.4301 AISI 304.
